ABOUT ME

I am a Full Stack developer with 5 years of programming background and experience in developing web solutions and microservices (**Java**, **Spring**, **React**, **SQL**, **Cloud**). Focused on writing clean code, teamwork, and solving complex problems.

EXPERIENCE

Software Developer | Sep. 2026 - Oct. 2026 | European Business School

- Developed an **e-commerce** website dedicated to the sale of wine and related products using the **WordPress CMS**, utilizing plugins such as **WooCommerce** and **Elementor**. In addition, I implemented a secure payment system and optimized the user experience through an intuitive and attractive design.

Software Development Assistant | Sep. 2023 - Dec. 2023 | NTT DATA

- Contributed to a real project for Iberdrola, developing **microservices** programmed in **Java** and **JavaScript**. Stored data and performed queries using **MySQL**. Used an agile methodology for efficient and flexible development, and implemented tests using **JUnit** and **Mockito**. Additionally, I used tools like **Sonar** and **Jenkins** to ensure code quality.

Software Developer | Mar. 2022 - Jun. 2022 | SERBATIC

- Developed an e-commerce website using **Java WebSockets** technology with the **Spring** framework. Mapped objects using **Hibernate**, with data stored in a **MySQL** database.

PROJECTS

Gamemania (Full Stack Web App) | React, TypeScript, Java, Spring Boot, PostgreSQL, Tailwind CSS

- E-commerce platform featuring a **CRUD** administration panel, **payment gateway**, and user **authentication** system.
- Implementation of a **REST API** connected to a relational database via **ORM**.

Vinery (E-commerce & CMS) | WordPress, WooCommerce, JavaScript, MySQL, Stripe, Dynamic Pricing

- Online store for wine and gourmet products featuring advanced offer management, volume discounts, and personalized coupons.
- Integration of secure payment gateways.

EDUCATION

WEB App Developing (DAW) | 2022 - 2023 | IES CLAUDIO MOYANO

Multiplatform App Developing (DAM) | 2020 - 2022 | IES CLAUDIO MOYANO

SKILLS

- Teamwork
- Proactivity
- Continuous learning
- Self-management capability
- Attention to detail
- Adaptability to change
- Verbal communication
- Analytical thinking
- Autonomous learning

OTHER TECHNICAL SKILLS

- HTML5
- CSS (Cascading Style Sheets)
- TypeScript
- AWS (RDS, S3, Lambda)
- MySQL

LANGUAGES

- English (C1)
- Spanish (Native)
